

From Now On

Zac Brown Band

I saw the sun begin to dim
And felt that winter wind blow cold
A man learns who is there for him
When the glitter fades and the walls won't hold
'Cause from then, rubble
What remains can only be what's true
It's more I've lost, the more I've gained
'Cause it led me back to you

And from now on, these eyes will not be blinded by the lights
From now on, what's waited 'til tomorrow starts tonight
Tonight, let this promise in me start like an anthem in my heart
From now on, from now on

I drank champagne with kings and queens
The politicians praised my name
But those are someone else's dreams
The pitfalls of the man I became
For years and years, I chased their cheers
At the crazy speed of always needing more
But when I stop and see you here
I remember who all this was for

And from now on, these eyes will not be blinded by the lights
From now on, what's waited 'til tomorrow starts tonight
Tonight, let this promise in me start like an anthem in my heart
From now on, from now on, from now on

And we will come back home
And we will come back home, home again
And we will come back home
And we will come back home, home again
And we will come back home
And we will come back home, home again

From now on, these eyes will not be blinded by the lights
From now on, what's waited 'til tomorrow starts tonight
And let this promise in me start like an anthem in my heart
From now on, from now on, from now on

And we will come back home
And we will come back home, home again
And we will come back home
And we will come back home, home again
And we will come back home
From now on, from now on, home again
