

# Shoofly Pie

Zac Brown Band

I'm gonna give you the wheel  
I'm gonna let you drive  
But you've gotta make me  
A shoofly pie  
You've gotta make me a shoofly pie

Don't forget the sweet molasses  
I won't leave a crumb  
And don't you just sit there laughin'  
'Cause you know how bad I need some  
You know how bad I need some of that

Shoofly pie  
Shoofly pie  
Shoofly

Well, you can make it for me in the mornin'  
I like it if it's hot or cold  
Well, you can make it for me in the evenin'  
Baby, when the sun is gold  
You can make it in the evenin' when the sun is gold

You can make it at the house, don't leave  
Yeah, you give it to me right on time  
Well, I like it in the kitchen  
In the livin' room  
Driveway  
I don't mind if the house on fire  
Don't care if the house on fire  
Gimme that

Shoofly pie  
Shoofly pie  
Shoofly pie

Well, I may be full on biscuits and wine  
But I always have room for that shoofly

Well, I like it in the middle of the night  
Under the stars and the moon  
And I get so high on your ever-lovin' pie  
I like it from June to June  
Yeah, I like it from June to June

Well, I must be blessed  
'Cause I have the best  
And I seen a light comin' through your dress  
And all my friends, they understand why  
Kick and cry, wouldn't mind dyin'  
For just another piece of that  
Heavenly, beautiful

Shoofly pie  
Just a little bit of  
Shoofly pie  
I want another piece of  
Shoofly pie

Can I get me a little  
Shoofly pie?  
Break me off a little  
Shoofly pie  
Just a little bit of  
Shoofly pie

Don't keep me waitin' on your  
Shoofly pie  
Oh I need a little  
Shoofly pie

Oh, I may be full on biscuits and wine  
But I always have room for that shoofly
