

What You Gonna Do

Zac Brown Band

When I'm dark
Baby, you turn my light on
When I can't find the words
You always find some
When I'm half a man, you made me whole
Every wake-up smile stirs my soul
Can you tell me?
I'm just dyin' to know

So what you gonna do for the rest of your life?
'Cause I got some time to kill and I wanna spend it with you
Makin' all your dreams come true
Every "forever" I imagine you in it
What would you say if I just said it?
I know I got you next to me tonight
What you gonna do
For the rest of your life?

When I can't
Baby, you can and then some
When life leaves holes
You come and fill them
You bring me back when I'm too far gone
You're every prayer I pray
You're the song I'll be singin'
When the good Lord calls me home

What you gonna do for the rest of your life?
'Cause I got some time to kill and I wanna spend it with you
Makin' all your dreams come true
Every "forever" I imagine you in it
What would you say if I just said it?
I know I got you next to me tonight
What you gonna do
For the rest of your life?

The church is full and holdin' back their tears
I've waited my whole life to get you here

What you gonna do for the rest of your life?
'Cause I got some time to kill and I wanna spend it with you
Makin' all your dreams come true
Every "forever" I imagine you in it
What would you say if I just said it?
I know I got you next to me tonight
What you gonna do?

'Cause I think I was made to stand by you
For the rest of your life
For the rest of your life
