Reverse

Zacari

Time after time
Night after night
Only thing that's on my mind
Time after time
Night after night
Only thing that's on my mind

I like it when you slow it down
Like it when you speed it up a little (Yeah)
You're the one, I know it now
I can see the work that you put in (Ooh, ooh)
Like it when you riding like a cowgirl (Throw that shit)
The nasty things you'll do for a purse
Girl, you're the one they jealous of (They jealous of)
And you ain't afraid to let them other bitches know
What you got (Yeah, got)
What you got (Yeah, work)
What you got, put your back into it
Pussy so good, I'm bendin' backwards for it (Yeah)
Round after round, takin' Aspirin for it (Yeah)

Time after time
Night after night
It's the only thing on my mind
Time
It's the only thing on my mind (On my mind)
It's the only thing on my mind

It's two in the mornin' and I'm knockin' at your door
Feel you on the other side, but you're not sure
Probably know I'm faded 'cause we've done this before
Probably know better not to open it up (Yeah)
Both agreed that last time (Yeah)
Would be the last time but I can't keep away (Nah)
You're all that I want right now (All I want right now)
Despite of all the feelings we've hidden
Just give me one more night
You know that I don't disappoint (Yeah, yeah)
You gotta give me one more try

It's the only thing that's on my mind (Only thing on my mind)
My mind, my mind (Only thing on my mind), my mind
You're turning all of my time (Time)
Shit's hard to find
A girl to spend all of mine
For your time
