

# Run Wild Run Free

Zacari

It's easy to be distracted, to be led astray, even if it's just a little bit, and once you go down, it's just line of sight, you know. "We're gonna go to the moon, it's big, and just straight-" Yes, but if you're a little bit off here, then you've traveled for a ways, all of a sudden you realize, "Oh my gosh, I'm way off course."

You missed the moon.

That's how it is, and until the end, it's so subtle, you don't even see it. That's why, um, my biggest wisdom I can give you is always have a close relationship with God, be sensitive to the spirits, spend time, that's a must.

Yeah?

"To be or not to be" ain't even a question, I'ma live free  
I'ma lift hearts, I'ma love hard  
Born in the House of the Rising Sun  
Yeah, I'm an animal, yeah, I'm radical  
Yeah, sign of the horns up, I'm radical  
Yeah, I'm awesome, so awesome  
Watch me flourish, watch me blossom  
Watch me, yeah, just watch (Watch)  
Time flies when you work so hard (Watch)  
I get so caught up (Watch)  
Forgive me if I seem out of touch  
Yeah, I just be in the cut  
More often than not, you can catch me in the cut  
Yeah, I just be in the cut  
More often than not, you can catch me in the cut  
Can't explain, no one to care  
As much as y'all stay on alert and stay aware  
I need y'all out here, out here (Yeah)  
I don't know what to believe  
But I could trust me, me, trust me (Run wild, wild and free)  
God knows, only God knows what I see (Run wild, wild and free)  
Me, me, just me (Run wild, wild and free)  
God knows, only God knows what I see  
And I

Run wild, run free, yeah (Run wild, wild and free)  
Run wild, run free, yeah (Run wild, wild and free)  
Run wild, run free, yeah (Run wild, wild and free)  
Run wild, run free, yeah (Run wild, wild and free)  
Run wild, run free, yeah (Run wild, wild and free)  
Run wild, run free, yeah (Run wild, wild and free)  
Run wild, run free, yeah (Run wild, wild and free)

Run wild, wild and free  
Run wild, wild and free  
Run wild, wild and free  
Run wild, run free, yeah (Run wild, wild and free)  
Run wild, run free, yeah (Run wild, wild and free)  
Run wild, run free, yeah (Run wild, wild and free)  
Run wild, run free, yeah (Run wild, wild and free)
