

# Ten Outta Ten

Zacari

Your loyalty, and their worth to you. You may need to give in to them in love matters, because they won't readily give in to you. Get physical with them, do comfortable things. Avoid pushing them in love, give them plenty of time.

Yeah

Oh-oh-oh yeah, oh yeah

You're ten outta ten, you're all that I wanted, I wanted

Yeah, a hundred percent

You must've fallen, fallen, fallen from Heaven, you angel

You're five stars, A+, yeah, you're all the above (Uh)

Oh yeah, oh yeah

You're ten outta ten, you're all that I wanted, I wanted

Yeah, a hundred percent

You must've fallen, fallen (Fall), fallen from Heaven, you angel

You're five stars, A+, yeah, you're all the above (Uh)

I'll take a bullet for you, I'll take two bullets for you

I'll take the whole clip for you, poison, I'll sip for you

Yeah, I'll take a shot for you, I'll take a knife to the heart for you

Modern day Romeo, modern day Juliet, yeah

I'll take a saw to the neck, yeah, ain't no more using my head, yeah

Top of the morning, she gave me top in the morning (Oh)

We the talk of the town, word getting 'round

We turning heads in the morning

At least for a moment, she made me forget that the world 'bout to end

I know Doomsday comin' soon, but we just be in my room

Afternoon, every afternoon

All that I've wanted, wanted was you

Girl, I've really fallen, fallen

Oh-oh-oh yeah (Yeah), oh yeah (Yeah)

You're ten outta ten, you're all that I wanted, I wanted

Yeah, a hundred percent

You must've fallen, fallen, fallen from Heaven, you angel

You're five stars, A+, yeah, you're all the above (Uh)

Oh yeah, oh yeah

You're ten outta ten, you're all that I wanted, I wanted

Yeah, a hundred percent

You must've fallen, fallen (Fall), fallen from Heaven, you angel

You're five stars, A+ (Yeah, yeah)

I think I'm in love

All that I wanted, wanted was you

Girl, I've really fallen, fallen for you

I think I'm in love

All that I wanted, wanted was you

Girl, I've really fallen, fallen for you

All that I wanted, wanted was you

Girl, I've really fallen, fallen for you (Oh shit)

(You have high hopes and goals...)

Hey, alright, bruh, it'll be later on tonight, man
