Believe me when I say I got my reasons to be going away
Oh baby, it's too hard to explain
I think that you just might be too good for me

There's no need for you to go through what I'm going through
Baby, it's too late for me, it's not for you
Oh, I'll be gone for a while, but lonely for a while
Don't say that you need me, I don't believe it (No)
You can do anything, yeah, yeah
You can do anything (Anything)
You can do anything (Anything), yeah
You can do anything
You can do anything (Anything), yeah

Believe me when I say, it's got nothing to do with you
I just need some space, yeah

I think that you just might be too good for me

There's no need for you to go through what I'm going through
Baby, it's too late for me, it's not for you
Oh, I'll be gone for a while, but lonely for a while
Don't say that you need me, I don't believe it (No)
You can do anything, yeah, yeah
