

Interlude 1 (Franticity)

Zach Callison

Oh my god, you are not going to believe
Yes we will what I heard about Juanita's ex
Juanita's ex are you kidding me?
Oh my god we hear something I know, it's like
Like every two days he's just believe's
What a douche he's god's gift to women
Like I swear like he looks like a douche bag
His hair his shoes like, what a fucking asshole
And those dirty ass Nikes and I think he's from, like, Florida
And you know she deserves so much more
At least someone who doesn't
Buy his followers like, he doesn't even know what a woman likes
Like what the fuck?
Wait wait wait
I heard he got fired from that cartoon he does
What? No
I heard he cheated on his new girlfriend... Ugh
Again
I heard he does coke now and like screams a lot
Really?

Aaaah!...
Over and over and over and over...
