

Clout

Zach Clayton

I got the clout, I got the clout
I got so much clout
I got the clout, I got the clout
I got so much clout
King of the clout, clout god
King of the clout, clout god
King of the clout, clout god
King of the clout, clout god

I got the clout, I got the clout
Pulled a Houdini, look at me now
Shortie so teenie, skimpy bikini
She one of many it's making you pout
Got an infinity front of my house
Copped me some Jordans a couple of thou
If we ain't cool keep my name out yo mouth
Way too much clout, ooh I'm handing it out
Zebra I'm fresh out the zoo
I'm wild and ready to move
Pockets as full as the moon
Bet she gonna howl at it too
I'm rolling deep with some wolves
We're getting lit it's a mood
Spraying Givenchy perfume
Smell of success in the room

I got the clout, I got the clout
I got so much clout
I got the clout, I got the clout
I got so much clout
King of the clout, clout god
King of the clout, clout god
King of the clout, clout god
King of the clout, clout god
I got the clout, I got the clout
I got so much clout
I got the clout, I got the clout
I got so much clout
King of the clout, clout god
King of the clout, clout god
King of the clout, clout god
King of the clout, clout god

Bought me a crib, look at my pool
Came with a gym, look at the view
Up in the hills, living the dream
Brand on my shirt, Gucci Supreme
Message to all of the moms
Tell em the youngin is gone
Don't leave yo baby alone
Best keep yo daughter at home
Nothin' But Love is the old me
Swear y'all just getting to know me
Industry tried to control me
Don't they know nothing can hold me
Doing the most is a habit
Don't you come at me with racket

Careful you might get the hatchet
Watch out the whit boy a savage

I got the clout, I got the clout
I got so much clout
I got the clout, I got the clout
I got so much clout

King of the clout, clout god
King of the clout, clout god
King of the clout, clout god
King of the clout, clout god
I got the clout, I got the clout
I got so much clout
I got the clout, I got the clout
I got so much clout

King of the clout, clout god
King of the clout, clout god
King of the clout, clout god
King of the clout, clout god
