

# Mistletoe

Zach Clayton

It's the most beautiful time of the year  
Lights fill the streets spreading so much cheer  
I should be playing in the winter snow  
But I'mma be under the mistletoe

I don't wanna miss out on the holiday  
But I can't stop staring at your face  
I should be playing in the winter snow  
But I'mma be under the mistletoe

With you, shawty with you  
With you, shawty with you  
With you under the mistletoe

Everyone's gathering around the fire  
Chestnuts roasting like a hot July  
I should be chilling with my folks, I know  
But I'mma be under the mistletoe

Word on the street Santa's coming tonight  
Reindeer's flying through the sky so high  
I should be making a list, I know  
But I'mma be under the mistletoe

With you, shawty with you  
With you, shawty with you  
With you under the mistletoe

With you, shawty with you  
With you, shawty with you  
With you under the mistletoe

And now I'm rapping to my favorite girly  
Open up to me and you  
Can get your presents early  
Tell Santa that's for me  
Don't touch my milk and cookies  
I whip the sleigh over she'll be there waiting for me  
Aye, Rudolph!  
And like the way I'm on my way to you  
And through a blizzard  
And now my heart still burns for you  
Mistletoe you already know what ima do  
So let's dance, I've been to France  
I learned a thing or two "parle veau"

It's the most beautiful time of the year  
Lights fill the streets spreading so much cheer  
I should be playing in the winter snow  
But I'mma be under the mistletoe

I don't wanna miss out on the holiday  
But I can't stop staring at your face  
I should be playing in the winter snow  
But I'mma be under the mistletoe

With you, shawty with you

With you, shawty with you  
With you under the mistletoe

With you, shawty with you  
With you, shawty with you  
With you, under the mistletoe, under the mistletoe

Kiss me underneath the mistletoe  
Show me baby that you love me so-oh-oh  
Oh, oh, ohhh

Kiss me underneath the mistletoe  
Show me baby that you love me so-oh-oh  
Oh, oh, ohhh
