

Baby it's five in the morning
All night
'Cause we been tripping all morning
All night
'Cause we been stripping
Take a dip in
Dance on the beach 'til the morning
Are you all in?

Wish I told you how I felt
Baby should've told you then
Wish I told you how I felt
Could I change your mind
Change your mind for good

(I can't be an actor, I can't be an on air personality
But the voice just became, theater of mind)

The sunset driving to the seaside
Windows rolled down, we up all night

Baby it's five in the morning
All summer long
'Cause baby you got a hold on me all night long
'Cause we been stripping
Take a dip in
Dance on the beach 'til the morning
Are you all in?

Wish I told you how I felt
Baby should've told you then
Wish I told you how I felt
Could I change your mind
Change your mind for good

Man I miss those times
Yeah we fuck all night
By the poolside
You were always my type
Right person, wrong time
Could I change your mind
Change your mind for good

(And don't forget tomorrow morning
Is your chance to win a pair of tickets
To see this man live in concert)
(And the voice just became
Theater of mind)
