

desire

Zach Templar

Why don't you want me like I want you?
Why don't you love me like I love you?

I feel this ain't what you wanted now
You can't hide the pain in your eyes right now
Mind speeding round not a rest
Thinking about if I'm your best
Take away all you love
Am I what you wanted?

Why don't you want me like I want you?
Why don't you love me like I love you?

It's all over (your face)
I see that you're (in pain)
Some shit that I (can't change at all)
We're not the same at all

It's all over (your face)
I can't erase (the pain)
The look on your face (can't change at all)
We're not the same no more

I know I'm not what you wanted at all
Don't you know that someone's gotta be a man now
I tried it all just to be what you want
So don't cry cause your tears
Don't mean nothing at all

Why don't you wanna be me?
(Why don't you want me baby)
Am I not what you dream?
Your innocence is true
Maybe I just want to be you
