

hold on

Zach Templar

It's getting kinda tough to hold on to my loved ones
And I'll wait for someone to ask me if I'm
Fine I'm finally breathing
I'm on the line I'm falling
Why won't you come back

Everything moving so slow
And I'm wasting my life
Wasting my time
Almost everyones moving away
It feels like I'm going back in time

And I'll hold on to someone
I can't even trust girl I might die

Looking at the ceiling tryna find the feelings
Tryna go away some place
In my mind I'm flying
Flying to a better
A better place for me my days

My eyes like rain but my
Thoughts like empty clouds
And I'll run from my own problems
Which never felt the same
I won't trust my self when I

Everythings moving so slow
And I'm wasting my life
Wasting my time
I'll hold onto someone I know
I'm holding on to you my girl

And I'll hold on to someone
I can't even trust girl I might die

It's getting kinda tough to hold on to my loved ones
And I'll wait for someone to ask me if I'm
Fine I'm finally breathing
I'm on the line I'm falling
Why won't you come back
Looking at the ceiling tryna find the feelings
Tryna go away some place
In my mind I'm flying
Flying to a better
A better place for me my days
