

All that I do to please you  
But you don't seem to care at all  
I'm speaking to you  
But you don't seem to hear me at all

You can't keep spinning, one that brought you back  
Crashed up the rental, now you're on your back  
Wake up my daughter, know I want you  
Want you back so bad

'Cause baby I'll go five more times  
In the middle of the night  
To see you  
To see you one more time

All that I do to please you  
But you don't seem to care at all  
I'm speaking to you  
But you don't seem to hear me at all  
All that I do to hear you  
'Cause I know they won't be long  
I'm speaking to you  
But the cords don't seem to have

A blank stare to you  
I know it's no use  
I hope you give me my odds

I'm scared  
And hit  
All we did to let  
You go

All that I do to please you  
But you don't seem to care at all  
I'm speaking to you  
But you don't seem to hear me at all  
All that I do to hear you  
'Cause I know they won't be long  
I'm speaking to you  
But the cords don't seem to have a tone
