Zach Templar

(Come save me)

(Oh-oh)

(Oh-oh)

Why do I love it, so much? (Love)

I know it's wrong but I'm stuck in your head, girl

I know you're trouble (trouble)

It hurts

So why do I keep you on me?

Are you still in love with me?

I know that you're trouble

But I want you on me

Something's in the air 'round me

I knew this was trouble

But I let you in me

I'm seein' red, I'm talking, mind is cold

I'm thinkin' 'bout

I know, I'll never see the day

But girl it's on my mind

You know I can't let go

That's why you keepin' me around (me 'round)

Know that you're tryna get something just to leave (know you're trouble)

Now what, do you want from me? (come save me)

Tell me what you want, from me

(Come save me)

(Oh-oh)

(Oh-oh)

Ridin', 60, hold me

It'll make you feel good

'Bout yourself

But, are you now?

Every night you lie to yourself

Do you ever think about us too?

You hurt me

Baby, on me

Last week, on me

Remember, the old me

The old me, can't breathe

Baby, I'm free

Know you, a to be with me (trouble...)
