

# turn u back

Zach Templar

Get you off my mind

I don't wanna talk no one but you (but you girl)  
You only you  
You so fine  
Can't seem to get you off my mind (get you off my mind)  
I will always run back to you  
It's always you

I don't wanna talk  
To no one but you  
You only you

But I wish that I  
Could turn you back  
Into a stranger  
I just hate you  
I been moving on to  
Someone new but  
Shit don't feel the same  
But you

I don't wanna talk no one but you (but you girl)  
You only you  
You so fine  
Can't seem to get you off my mind (get you off my mind)  
I will always run back to you  
It's always you  
I don't wanna talk to no one but you  
But you  
But you girl  
But you

I noticed we stopped talking  
I love you  
I miss when you would call me  
I miss when we talk  
Talk for hours girl  
Don't go  
But you girl  
Don't go  
Because instead I wanna talk to you girl  
Don't go  
Ah

I don't wanna talk no one but you (but you girl)  
You only you  
You so fine  
Can't seem to get you off my mind (get you off my mind)  
I will always run back to you  
It's always you  
I don't wanna talk to no one but you  
I wish that I could turn you back

I don't wanna talk to no one but you  
You only you  
So talk to me (turn u back)

You're so tired of me  
Just one more time come on  
Just one more time could you come over  
For tonight could you lie  
Just here tonight (just for tonight)
