

Baby, I just keep coming back to you
Can't help myself over you
Yeah, I know you don't care but I do
All the things I'd do for you, oh, for you

I know it's been a while girl
I keep coming back to you
I keep coming for you
You and me

Oh, don't you know I love you, girl? (You)
I guess I should've let you
Know before you go (Keep coming for you)

I know it's been a while girl
I keep coming back to you
I keep coming for you
You and me, girl

You broke me and I'll never forgive you
I'll never be the same again
Because either way, either way
Either way, what can I say?

Oh, don't you know I love you, girl? (You)
I guess I should've let you
Know before you go (Keep coming for you)

I won't (I won't), give up (Give up)
On us (On us), not too soon
Is it too late for us, baby?
I couldn't give up on us
Aah, ah-aah-ah, ah-ah
(Breaking me a little bit more)

Can't you see
Can't you see you're breaking me?
(You're reaking me a little)
Is it okay if I hate myself? I
It's not like you ever cared about me
Never in your life (I really really fucking hate)
I know, I know, I know you've changed
You really made me fucking change myself (Myself)
Now I don't know what to do with myself
Oh, was there something wrong with me?
I couldn't give up on us
I couldn't give up on us

We're so scared, just kids trying to
Figure out the world, this wasn't
Ever gonna work, I knew that
Maybe in another world, Violet
