

Busy Doin' Nothin'

Zach Top

Three more days 'til I get a break, adios for a little while
Poppin' tops, wearin' flip-flops and livin' Buffett style
Y'all can take up the slack 'til I get back, yeah, I got faith
in you
If you miss me at all, maybe don't call, I got plenty to do the
re, too

I'm gonna be busy soakin' up sunshine
Busy, takin' my sweet time
Busy, one thing on my mind, that's the kinda busy I like
Busy, workin' on some lovin', just busy doin' nothin'

Just a little beach house that she picked out with a million-
dollar view
Just layin' in the sand sweatin' over a tan, be sure to burn up
a day or two

I'm gonna be busy soakin' up sunshine
Busy, takin' my sweet time
Busy, one thing on my mind, that's the kinda busy I like
Busy, workin' on some lovin', just busy doin' nothin'

Might take a little beach walkin', red wine, candlelight
Sweet talkin' six days straight of non-stop overtime

I'm gonna be busy soakin' up sunshine
Busy, takin' my sweet time
Busy, one thing on my mind, that's the kinda busy I like

I'm gonna be busy soakin' up sunshine
Busy, takin' my sweet time
Busy, one thing on my mind, that's the kinda busy I like
Busy, workin' on some lovin', just busy doin' nothin'

Oh, busy, yeah
Just busy doing nothin'
