

## Cowboys Like Me Do

Zach Top

No, ma'am, I ain't from around here  
But your pretty smile kinda makes me wish I was  
No, ain't got nowhere I gotta get to  
I'd be glad to nurse this coffee 'til you close up

No, ma'am, I got no place to stay here  
Is that right? Well, that's mighty nice of you  
Yeah, I like the way I think you're thinking  
Before we go too far, I ain't gonna hide the truth

I'd like to say I'll hang around  
But I've never been one to settle down  
There's always some new dirt for these old boots  
I might hang my hat here a couple nights  
Or you might go and change my mind  
But one thing I won't do is lie to you  
That's just what cowboys like me do

Mama's cooking ain't got nothing on you  
Oh, and you sure make it feel like home 'round here  
I was thinking I might go and see Seattle  
But you're right, the rain is cold this time of year

I'd like to say I'll hang around  
But I've never been one to settle down  
There's always some new dirt for these old boots  
I might hang my hat here a couple nights  
Or you might go and change my mind  
But one thing I won't do is lie to you  
That's just what cowboys like me do

My hat's been hanging here a couple nights  
Who knows, you might change my mind  
But one thing I won't do is lie to you  
That's just what cowboys like me do  
That's just what cowboys like me do
