

I Don't Mind

Zach Top

They say love's a prison a big ol' ball and chain
Life in the slammer with a nine pound hammer
Just a bustin' rocks all day
But, I don't mind... no, I don't mind
Doin' my time with you

They can lock the door and throw away the key
Treat me like a killer I'll lay on a piller
Every night with you next to me
I don't mind... no, I don't mind
Doin' my time with you

Give me concrete floors, give me cold steel bars
Give me razor wires give me mean old guards
Give me life no parole till I die
I don't mind, girl, I don't mind
Doin' my time with you

If they see smoke comin' outta my cell
It ain't a marlboro red it's wild red head
Doin' everything but makin' bail
And I don't mind, no, I don't mind
Doin' my time with you

Give me concrete floors, give me cold steel bars
Give me razor wires, give me mean old guards
Give me life no parole till I die
I don't mind, girl, I don't mind
Doin' my time with you

Give me concrete floors, give me cold steel bars
Give me razor wires, give me mean old guards
Give me life no parole till I die
Cause I don't mind, girl, I don't mind
Doin' my time with you
No I don't mind, no, I don't mind
Doin' my time with you
