

There's The Sun

Zach Top

I might sound crazy now
But I'll say it anyhow
'Cause I want you to hear my heart, baby
I'll never win no prize
For pretty words and rhymes
But you'll feel what I'm feeling, baby
Thought I knew what beautiful was

There's the sun
There's the moon
There's million dollar skyline views
And there's Rocky Mountain highs
Oceans rolling wild and blue
There's the sun
There's the moon
Then there's you

Baby just think about
Could you imagine life without
All those things
All those beautiful things
Now you know what I'd feel like
With no you in my life
Like the stars
With no sky to hold 'em
That world ain't one I wanna live in, girl

There's the sun
There's the moon
There's million dollar skyline views
And there's Rocky Mountain highs
Oceans rolling wild and blue
There's the sun
There's the moon
Then there's you
Thought I knew what beautiful was
There's the sun
There's the moon
There's million dollar skyline views
And there's Rocky Mountain highs
Oceans rolling wild and blue
There's the sun
There's the moon
Then there's you
