

Things to Do

Zach Top

Better get them wheels rollin', if you're really goin'
Shouldn't take this long to say goodbye
But you keep a-talkin', talkin' instead of walkin', walkin'
Wastin' away too much of my sweet time, when there's

Grass that needs mowin' and fish that needs catchin'
Ain't tryna be pushy, don't wanna be rude
But there's beer that needs drinkin', and a bar that needs clos
in'
And a girl there that's needin' holdin', too
Now, when did you say you're leavin', baby? I got things to do

What's with all this fussin'? What's with all this cussin'?
Leavin' was your idea all along
But you keep a-
yakkin', yakkin' when you oughta be packin', packin'
Why don't you get going? So I can get on with

Grass that needs mowin' and fish that needs catchin'
Ain't tryna be pushy, don't wanna be rude
But there's beer that needs drinkin', and a bar that needs clos
in'
And a girl there that's needin' holdin', too
Now, when did you say you're leavin', baby? I got things to do

Girl, it just ain't right
You're burnin' up my daylight
And there's

Grass that needs mowin' and fish that needs catchin'
Ain't tryna be pushy, don't wanna be rude
But there's beer that needs drinkin', and a bar that needs clos
in'
And a girl there that's needin' holdin', too
Now, when did you say you're leavin', baby? I got things to do
Oh, when did you say you're leavin', baby? I got things to do
Things to do
