

Baptized

Zach Williams

I can still see the steeple
A little church on the hill
There was a line at the altar
Every pew had been filled
I remember the water
The choir singing old hymns
There was a peace in the valley
Oh, as the preacher man, he said:

In the name of the Father
The name of the Son
The name of the Spirit
You're washed by the blood
And buried with Christ
Raised in new life
Baptized

I can still hear the sermon
All the people, said "Amen"
There was a gift of salvation
And you could be born again
I remember the power
The Holy Spirit rushing in
There was peace like a river
When the preacher man said:

In the name of the Father
The name of the Son
The name of the Spirit
You're washed by the blood
And buried with Christ
Raised in new life
Baptized

All those old stained glass windows
And the stories they tell
All the memories as clear
As the day I was there
All those years I spent running
You've given me back
And now I'm stepping in
Oh, I'm stepping in
Oh, I'm stepping in

In the name of the Father
The name of the Son
The name of the Spirit
Washed by the blood
And buried with Christ
Raised in new life
Baptized

Oh, in the name of the Father
The name of the Son
The name of the Spirit
Washed by the blood
I'm buried with Christ

I 've been raised in new life
Baptized

I can still see the steeple
A little church on the hill
