

# Praise Opens Prisons

Zach Williams

Ooh ooh  
Ooh ooh  
Ooh ooh  
Ooh ooh  
Ooh ooh  
Ooh ooh  
Ooh ooh  
Ooh ooh

Are you down?  
Smiling but empty  
Anxious and heavy  
Alone in the crowd  
Are you bound?  
Lost in addiction  
Ya can't seem to kick it  
Well, I know a way out

So, if you're ready for a breakthrough  
There's one waiting in this place  
No more shackles no more shadows no more shame

This is where the walls shake (Ooh)  
This is where the ground quakes (Ooh)  
This will be your jail break (Ooh)  
Praise opens prisons (Ooh)  
Feels those chains get looser (Ooh)  
Feel your joy get truer (Ooh)  
Glory hallelujah (Ooh)  
Praise opens prisons (Ooh)

Ooh ooh  
Ooh ooh  
Ooh ooh

Praise opens prisons (Ooh ooh)

I have lived  
Both sides of the story  
Rock bottom and glory  
So, I understand  
Brother it's time  
To lay down your burdens  
Sister, you're hurtin'  
So, lift up your hands

This is where the walls shake (Ooh)  
This is where the ground quakes (Ooh)  
This will be your jail break (Ooh)  
Praise opens prisons (Ooh, opens prisons)  
Feels those chains get looser (Ooh)  
Feel your joy get truer (Ooh)  
Glory hallelujah (Ooh)  
Praise opens prisons (Ooh)

Someone shout a hallelujah  
Someone lift a song of praise

We can open up the heavens  
If we call on Jesus' name  
And if you're ready for a breakthrough (Ooh)  
There's one waiting in this place (Ooh)  
No more shackles no more shadows no more shame (Ooh)

This is where the walls shake (Ooh)  
This is where the ground quakes (Ooh, ground quakes)  
This will be your jail break (Ooh)  
Praise opens prisons (Ooh)  
Feels those chains get looser (Ooh)  
Feel your joy get truer (Ooh, joy)  
Glory hallelujah (Ooh)  
Praise opens prisons (Ooh, opens prisons)

Ooh ooh  
Ooh ooh  
Ooh ooh

Praise opens prisons (Ooh ooh)

Oh oh yeah (Ooh ooh)  
Oh oh yeah (Ooh ooh)  
Oh oh yeah (Ooh ooh)

Praise opens prisons (Ooh ooh)

Gonna feel those chains get looser  
Gonna feel your joy get truer

Praise opens prisons (Glory, glory yeah)

Gonna feel those chains get looser (Glory)  
Gonna feel your joy get truer (Yeah)

Praise opens prisons (Glory yeah)

Sing it louder  
Louder and Louder  
Sing it louder  
Praise opens prisons

Sing it louder  
Louder and Louder  
Sing it louder  
Praise opens prisons

Ooh
