Stand Up

Zach Williams

Stand up!

Are you lost and wanna be found?
Are there shackles on your feet that weigh you down?
Are you scared there's no way out?
Are you sick and tired of falling on the ground?

Stand up if you believe in the God of freedom
Somebody give Him praise
Stand up if you believe in the name of Jesus
Somebody give Him praise

Can I get a witness? Can I get an amen?
Can I get a glory hallelujah?
Somebody give Him praise
Can I get a "Yes, Lord"? Can I get a "He's so good"?
Can I get another testimony?
Somebody give Him praise

If your mountains are way too tall
If you're up against a giant that won't fall
And if it feels impossible
Get ready to receive your miracle

Can I get a witness? Can I get an amen?
Can I get a glory hallelujah?
Somebody give Him praise
Can I get a "Yes, Lord"? Can I get a "He's so good"?
Can I get another testimony?
Somebody give Him praise

It's alright, ooh yeah
Somebody give Him praise
Somebody give Him praise
Yeah yeah

Stand up if you believe in the God of Freedom
Somebody give Him praise
Stand up if you believe in the name of Jesus
Somebody give Him praise
Stand up if you believe in the God of Freedom
Somebody give Him praise
Stand up if you believe in the name of Jesus
Somebody give Him praise
Stand up if you believe that His word is final
Somebody give Him praise
Stand up if you believe in a new revival
Somebody give Him praise
Stand up if you believe that the Spirit's moving
Somebody give Him praise
Stand up if you believe that He's gonna do it
Somebody give Him praise

Can I get a witness? Can I get an amen?
Can I get a glory hallelujah?
Somebody give Him praise
Can I get a "Yes, Lord"? Can I get a "He's so good"?

Can I get another testimony?
Somebody give Him praise
