

Got Anita Baker boomin' out the 87 Buick
Steppin' in some Pumas but this molly got me booted
Hangin with' my money talking to it like its human
Nigga play me like a square I spin the block like its a Rubik's
She frightened by my diamonds how I'm shining Stanley Kubrick
Drip like Alex Mack I spent them racks and turned to fluid
Pockets lookin' nauseous blowin' money like its mucus
Told my nigga get in loser, let's go shootin' like its clueless
Money tall like iron giant, need a hangar for these racks
Fuck the beef its crunch time, turn them niggas to a pack
Black and white diamonds, man my wrist should be on blacked
All my bracelets and my watches on my arms I look like Jax
Came up in Atlanta me and momma had to struggle
Nerdy nigga but I'm thuggin' it's the Zone 6 McLovin
I was down on Custer, watchin' Martin while she suckin'
Get to wild'n out with cannons, bitch we drummin' choppas fertile yea

Yeah, I'm back up on my bullshit, them beans got me geekin'
Throwing money on these strippers like they chickens gettin' seasoned
I got bitches cross the universe I'm pimpin' like I'm Steven
She gon' hit me with the kegels almost made me have a seizure
Nigga run up if you wanna, choppa what I'm holdin'
Two shots finna stop you while you talkin' like a colon
Face off with the gang now yo face is on some clothing
Hollows had that nigga vogueing
Draco turn him to a model hitting poses
I can't ever stop, Bitch I can't quit
All my niggas from the gutter, bitch we with the shits
I been out the pocket since a muthafuckin' jit
Raised my hand up in the class and told the teacher suck my dick
