

I'm sitting here alone inside of my car
No one's on the road and I'm traveling far
The way that you're in my head, I imagine you here
It's a bumpy road ahead a lot to take in
I met your dad, and a sister, and a bunch of your friends
I'm getting there slowly, I'm really trying my best

But I hope you don't misunderstand
'Cause baby

There's no rush inside my head
I want you to know that I understand
If you don't feel like it now, I won't be mad
I know your past and how it got bad
If you think that I'll be worse
Just give me a chance
But for now I'll just be still
If you need me, I'll be waiting for you here

I'm sorry if at times, it's a bit too much
I know you're overwhelmed but it's just my heart
I haven't really felt this in a while
I'm trying not to let it inside my head
I want you to know that I'm trying my best
Taming my heart, ain't an easy task

But I hope you don't misunderstand
'Cause baby

There's no rush inside my head
I want you to know that I understand
If you don't feel like it now, I won't be mad
I know your past and how it got bad
If you think that I'll be worse
Just give me a chance
But for now I'll just be still
If you need me, I'll be waiting for you here

Ooh-ooh-ooh-ooh
Na-na-na-na, na-na, na-na-na-na, na-na, na-na-na-na
Ooh-ooh-ooh-ooh
Na-na-na-na, na-na, na-na-na-na, na-na, na-na-na-na

There's no rush inside my head
I want you to know that I understand
If you don't feel like it now, I won't be mad
I know your past and how it got bad
If you think that I'll be worse
Just give me a chance
But for now I'll just be still
If you need me, I'll be waiting for you here
