

FAKE

Zack Tabudlo

Just ended a call with my mom again
Telling I know what I'm doing, I'm alright with it
She been telling me, not to trust your ass again
But I keep telling everybody that I know you, babe
All of my friends have been telling me, you're the same bitch (Bitch)
That runs around licking all of these other fuckin' dicks (Fuckin' dick)
But you know baby that I love you
I wouldn't do it with another bitch (Yeah)
You know I mess with you but never push my limit

Am I supposed to be crying? No
Shouldn't I be happy with you, baby? No
I shouldn't listen to all the lies

What's wrong with you?
What did I do?
For you to make me feel this way
Baby, you ain't the fuckin' same
What's wrong with you?
What did I do?
To deserve all of this pain
Baby, you ain't the fuckin' same

It's so funny you were just playing pretend
You hated all my enemies and now you're friends (Your friends)
I gave that to you so I don't really mind
But now you're spreading all these fucking lies
It's so sad, it's a shame for you to go this way
I thought you were better but I guess, you're the fuckin' same
As everybody else, I ain't coming back to some bitch like you, babe (Bitch like you, babe)

Am I supposed to be crying? No
Shouldn't I be happy with you, baby? No
I shouldn't listen to all the lies

What's wrong with you?
What did I do?
For you to make me feel this way
Baby, you ain't the fuckin' same
What's wrong with you?
What did I do?
To deserve all of this pain
Baby, you ain't the fuckin' same
