FOOL

Zack Tabudlo

Baby, why can't I see
What everybody's telling me
You were always there, but I never understood baby
When you love me through the night
And hug me in so tight
But in the morning you leave me like we never happened oh why

Why do you do that to me
Keepin me guessing
I don't know what's in your heart
But baby, if you let me in
I'll show you what you're missing
Baby don't keep me guessing

You know I'm a fool
Fool for you
You know I'm a fool
Fool for you
So catch me now I'm falling
Don't leave me out here hanging
You're the only thing I want in this world

Flashback to the night of romance
Baby, how can I forget
The way you look me in the eyes
And how you told me im the first guy you've kissed
But I don't know if it's real
And how you're giving me the feels
I told my momma you're the one
That I want from the day we've met

Why do you do that to me
Keepin me guessing
I don't know what's in your heart
But baby, if you let me in
I'll show you what you're missing
Baby, don't keep me guessing

You know I'm a fool
Fool for you
You know I'm a fool
Fool for you
So catch me now I'm falling
Don't leave me out here hanging
You're the only thing I want in this world

Why do you do that to me
Keepin me guessing
I don't know what's in your heart
I deserve to know the truth
Baby I'm begging you please

You know I'm a fool
Fool for you
You know I'm a fool
Fool for you
