# Lost

**Zack Tabudlo**

Oh my dearest how can u treat me so bad
For years and years I felt like shit and you didn't give a damn
All my friends tell me I'm way too good for you
But why do I keep crawling back to you

Tell me what I have to do
I get lost when I'm without you
I know we shouldn't be you
But I'm lost when I'm without you

Someone please just fix this heart of mine
Its gone insane it just ain't right
I know I shouldn't be with someone like you
Tell me what I have to do

I caught you for a couple times
You keep telling all these little white lies
You kept flirting with my best friend and you think I'm fuckin stupid
oh yea
(And you know I'm fuckin stupid)

But I'm still here for you
Its like I'm tied up in a stupid ass loop
I really don't know what to do
I wanna let go (but I think I'm still in love with you)

Tell me what I have to do
I get lost when I'm without you
I know I shouldn't be with you
But I'm lost when I'm without you

Someone please just fix this heart of mine
Its gone insane it just ain't right
I know I shouldn't be with someone like you
So tell me what I have to do

Tell me baby do you love me
Whyd u do this to me darling
Tell me baby do you love me
Darling why you do me dirty

Tell me what I have to do
I get lost when I'm without you
I know I shouldn't be with you
But I'm lost when I'm without you

Someone please just fix this heart of mine
Its gone insane it just ain't right
I know I shouldn't be with someone like you
So tell me what I have to do
