

# Obsessed

Zack Tabudlo

Kiss me gently now  
Hold me tight, oh, yeah  
Make me feel like I'm in a movie  
With us in the backseat

This feels like (Oh)  
Jump of adrenaline (Oh)  
Getting all high again (Oh)  
Dreaming so deep  
I feel you in my arms again (Oh)  
I might be a lunatic (Oh)  
But I don't care, baby (Oh)  
Call me a fool (Oh)  
Baby, I'm obsessed with you

Love me all night  
Turn down the lights  
Don't let me go  
While I'm holding you tight  
You're the one in my mind  
But promise you won't leave tonight  
('Cause I'm obsessed, I'm obsessed with, I'm obsessed with you)  
Love me all night  
Darling, go wild  
I'll surrender my everything  
Babe, I won't fight it  
You're stuck in my mind  
But promise you won't leave tonight  
('Cause I'm obsessed, I'm obsessed with, I'm obsessed with you)

Do you feel the same  
When you touch my hand?  
I trust you even though it's so messy  
I'm all for it, baby

This feels like (Oh)  
Jump of adrenaline (Oh)  
Getting all high again (Oh)  
Dreaming so deep  
I feel you in my arms again (Oh)  
I might be a lunatic (Oh)  
But I don't care, baby (Oh)  
Call me a fool (Oh)  
Baby, I'm obsessed with you

Love me all night  
Turn down the lights  
Don't let me go  
While I'm holding you tight  
You're the one in my mind  
But promise you won't leave tonight  
('Cause I'm obsessed, I'm obsessed with, I'm obsessed with you)  
Love me all night  
Darling, go wild  
I'll surrender my everything  
Babe, I won't fight it  
You're stuck in my mind

But promise you won't leave tonight  
('Cause I'm obsessed, I'm obsessed with, I'm obsessed with you)

You, you, you, you  
('Cause I'm obsessed, I'm obsessed with, I'm obsessed with you)  
('Cause I'm obsessed, I'm obsessed with, I'm obsessed with you)
