

Stay Here

Zack Tabudlo

Is everything okay? Tell me what's going on
Everyone is telling me you're going home
If it's my fault, then blame it all on me
But did you have to go? Now I feel so lonely

Can someone help me? I'm dying slowly
Your love is missing
And without it I'm so lost

You know I can't take it
My heart won't make it
Baby please don't go

You know I'm lost without you

Do you remember the first time I saw you?
You were in your favorite dress looking so beautiful
Think about the memories we both have gone through
Why would you leave tonight? Stay here I'll hold you tight

Can someone help me? Because I'm dying slowly
Your love is missing
And without it I'm so lost

You know I can't take it
My heart won't make it
Baby please don't go
You know I'm lost without you

What would happen without you here?
Everything would be crystal clear
I don't know what to say
I don't know how I feel

Baby please just stay here

You know I can't take it
My heart, my heart won't make it
Baby please don't go
Baby please don't go

You know I can't take it
(Oh oh yeah)
(Yeah yeah)
My heart won't make it
Baby please don't go
You know

Stay with me
(Stay with me)
Baby please
(Oh baby, stay with me)
Stay with me
(Oh baby)
Stay with me, yeah
(Oh no oh oh)
