

Satsuma

Zack Villere

Satsuma
I'm riding on the back of your bike
Now whatcha doing?
I'm coming over later tonight

Satsuma
Riding on the back of your bike
Said, whatcha doing?
I'm coming over
Uh-over

Say I do
Say I do, say I do
Say I do
Say I do ohhh oh
Have feelings too
Have feelings too

And if you're right
And you've come to change my life
I would oblige
You turn my darks into lights

Shouldn't be hard to make you see
(I wish you would)

Say I do
Say I do, say I do
Say I do
Say I do ohhh oh
Have feelings too
Have feelings too

It grows deep with
Every little thing that you do
You show me all the
Things you were afraid to

It grows deep with
Every little thing that you do
You show me

Shouldn't be hard to make you see
(I wish you would)

Say I do
Say I do, say I do
Say I do
Say I do ohhh oh
Have feelings too
Have feelings too

Shouldn't be hard to make you see
(I wish you would)

Satsuma
