

Superhero Strength

Zack Villere

Purple jacket and your hair tied up
I see a silhouette from the light in your room
I had superhero strength in a dream
I woke up and it was afternoon

We have met like fifteen times
When I saw you and I said "hello"
You looked at me and then you started to smile
Don't think I've ever looked at your eyes

And you said should we
Do I know what you're thinking?
Why do I feel like I'm thinking about the same thing?
Why do I know what you're thinking?
Why do I
I think I do
Do I know what you're thinking?
Why do I feel like I'm thinking the same thing too?
Why do I know what you're thinking?
Why do I
I think I do

(Oooooo)
I think I do
I think I do
I think I do

Whats on your mind?
I wanna know, what's on your mind?
Can you tell me, what's on your mind?
Whats on your mind?
Can you tell me I'm on your mind?
Can you tell me I'm on your mind?
