

In The Land Of Green

Zager & Evans

When you kiss me, oh, how much more it would mean (When you kiss me)
(Oh, how much more it would mean)
If you'd come with me (Come with me)
To the Land of Green

When you touch me, I can't explain what I mean (I can't explain what I mean)
Won't you come with me? (Come with me)
To the Land of Green

You tell me, you don't want to go (You tell me)
You've never been there (You've never been there)
Tell me, how do you go? (How do you go?)
I know where it grows

In the Land of Green
(No one is see) No one is see (No one is see)
No one would know (No one would know)
If you would go (If you would go)
Oh (I know where it grows)

I know where it grows (I know where it grows)
Oh

Come with me tonight (Come with me)
Take a trip with me (Take a trip with me)
In the Land of Green (Land of Green)
You yourself will see

People laughing 'till they're crying (People laughing)
What more can I say? (What more can I say?)
Elephants are grey

(Ah) Light, I gather you into my mind
From behind, comes the pigment of time (Pigment of time)
(I know where it grows) I know where it grows (I know where it grows)

I'm walking behind you (Who's that I see?) Who's that I see?
Oh hello, it's me

Goodbye, I'll give you my roundhouse today (Goodbye, I'll give you)
Before he'll away (My dog passed today)
For with it you'll go, we know where it grew
