

## Overture

Zager & Evans

Once in a dream  
I was a dream  
Once in a dream (Once in a dream)  
I was me (I was me)  
You were there  
I was a child  
I was a family  
I was grownup  
I was the man I am  
I was wrapped around me  
I was old  
And covered with mold

I saw me I am what I'm not trying to be  
I heard someone crawling one day my ran to they'll saw  
It was we  
"Help me" I cried  
I see you, I see me, I see them  
As we really are not as we really are not who-oooh...  
Ooh...

Something is wrong  
Wake up, wake up...

Something is wrong  
I see you, I see me, I see them  
As we really are not as we really are not  
"Help me" I cried  
It was we  
I heard someone crawling one day my ran to they'll saw  
I saw me I am what I'm not trying to be  
I was old  
And covered with mold  
I was wrapped around me  
I was the man I am

I was grownup  
I was a family  
I was a child  
You were there  
I was me  
Once in a dream, I was  
Once in a dream, I was  
Once in a dream, I was  
Once in a dream...

"In the beginning God created the heaven and the earth. And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters"
