

Princess Ann

Zager & Evans

Here I am, sitting looking out through the weeds by the window
Black bars and number nine screen blocking out my way
I'm looking back a week ago back in Nebraska city
Walking down by the creek where the Princess Ann grows

It was a long hitchhike from Gretna to Denver
Three days on the road to reach Omaha
New York City, you must be laughing out loud
Princess Ann is not your part

I find it hard to believe such a gentle lady
Couldn't take my name away from me
Princess Ann, you only made me feel warm
It's not your fault they've taken me

Looking out on the Judy in the sky, she's 'a' smiling (Judy in
the sky)
Princess Ann put her there for me
Someday when the man in the suit can see you
And look around, you'll see me

Princess Ann, here I am looking down at the cold cement floor
Wishing you were here to kiss my mind
They judge you guilty before they knew your name
Princess Ann, you're not to blame

Looking up at the Judy in the sky wishing you were looking up a
t the Judy in the sky, she's 'a' smiling (Judy in the sky)
Princess Ann, you put her there for me
Someday when the man in the suit can see you smile
He'll look around, and he'll see me

Looking up at the Judy in the sky (Judy in the sky (Judy in the
sky)) (Looking up at the Judy in the sky)
Looking up at the Judy in the sky (Judy in the sky) (Looking up
at the Judy in the sky)
Looking up at the Judy in the sky (Judy in the sky (Judy in the
sky))...
