

She Never Sleeps Beside Me

Zager & Evans

She never sleeps beside me
Oh no, oh no
She sleeps wrapped around me
Oh, oh
And she never brings me morning toast in bed
Oh, oh no
She offers a woman
Oh, oh-oh-oh-oh-oh

She sometimes cries can never tell me why
But I'm know she loves me more than she can show
And so, she cries

She calls me sometimes just to hear me say "Hello"
Hello
And tell me she can't get her mind off of me
Oh

She never sleeps beside me
Oh no, oh no
She sleeps wrapped around me
Oh, oh
And she never brings me morning toast in bed
Oh no, oh no
She offers a woman
Oh
