

# Destiny

Zahara

Some people live their dreams  
Some their destiny pass them by  
Tell me the reason why nothing ever stays the same  
Sorrow and shame whoo oo oo oo hoo oo oo  
Only God knows how long it will take for me to reach my  
destiny (2x)

Everything maybe rushing on me  
Everything maybe too slow on me  
But I will be here holding it down  
I know where I am going.....

Winning, loosing doesn't matter  
I will keep on trying  
I won't give up

Cause  
Everything maybe rushing on me  
Everything maybe too slow on me  
But I will be here holding it down  
I know where I am going.....

People telling me it's a highway  
And a ponder of letting go  
But I know in each and every end of the tunnel  
There will be a little light in the end  
And I thought of taking the route everybody else  
Oh yes has been taking  
But I know I have to find my own destiny hoo hoo

Everything maybe rushing on me  
Everything maybe too slow on me  
But I will be here holding it down  
I know where I am going.....
