

Bring It Home

Zak Abel

It's been a long time coming
It's been a long time on my own
It's been a long time in the shadows
And I don't wanna hide no more
Sick and tired of the wasted hours
Sick and tired of the red flag glow
It's been a long time coming
But I don't wanna hang no more

I know I've fallen short before
I'll burn the boats that dock the shore
Just so you know

That darling for you
I'll bring it home
Bring it home for you
And darling for you
I'm gonna bring it home, yeah

It's been a long time coming
It's been a long time feeling blue
It's been a long time running
But now I'm running to you
Let me tell you

I know I've fallen short before
I'll burn the boats that dock the shore
Just so you know

That darling for you
I'll bring it home
Bring it home for you
And darling for you
I'm gonna bring it home, yeah

If there ever was a seed of doubt
You can shoot it down
Shoot it down, down, down
Just so you know

That darling for you
I'll bring it home
Bring it home for you
And darling for you
I'm gonna bring it home, yeah
