

Dance With You (The Comeback)

Zak Abel

I don't care if I gotta wait long in line
Standing outside in the cold, I don't mind
Even if this place don't play my tunes
I just wanna dance with you
Even if it's too crowded inside
People bumpin' into me all night
Even if I've forgot all my moves
I just wanna

I wanna dance with you
Drifting into the rhythm, feel my body move
Out of my inhibitions, into something new
Tell me you feel it too
Are you ready for the comeback?
Get ready for the comeback (Yeah)

C-C-C-Comeback
C-Comeback (Ah-ah-ah-ah)
C-C-C-Comeback
C-Comeback (Ah-ah-ah-ah)
C-C-C-Comeback
C-Comeback (Ooh)
Are you ready? (Ah)
Are you ready?

Can't believe I forgot what it's like
When you let loose and feel so alive
Another night in, it simply won't do
I just wanna dance with you
Even if all my friends have gone home
I would stay here with you on my own
After all of the mess we've been through
I just wanna

I wanna dance with you
Drifting into the rhythm, feel my body move
Out of my inhibitions, into something new
Tell me you feel it too
Are you ready for the comeback?
Get ready for the comeback (Yeah)

C-C-C-Comeback
C-Comeback (Ah-ah-ah-ah)
C-C-C-Comeback
C-Comeback (Ah-ah-ah-ah)
C-C-C-Comeback
C-Comeback (Ooh)
Are you ready? (Ah)
Are you ready?
Comeback

(I just wanna dance)
Dance with you
Drifting into the rhythm, feel my body move
Out of my inhibitions, into something new (Out of my inhibitions)
Tell me you feel it too
Are you ready for the comeback?

Get ready for the comeback (Get ready for the comeback)
Dance with you
Drifting into the rhythm, feel my body move
Out of my inhibitions, into something new (Out of my inhibitions)
Tell me you feel it too
Are you ready for the comeback?
