Zak Abel

Your laugh can light a thousand rooms
Touch can make a flower bloom
You feed me when I'm hungry for affection
Your spirit is an open door
An energy that's bright and warm
You bring the little details to attention

Home
Is wherever
Wherever
You are
I hope
That you're never
You're never
Too far
'Cause I can be myself around you
Singing to the stars
I feel so much braver
In the safety of your arms
Home
Is wherever
Wherever
You are

Home
Ho ho home
Ho ho ho home
Ho ho home
Ho ho ho home
Ho ho home
Ho ho ho home
Ho ho home
Ho ho ho home
Ho ho home

You shower me with compliments
Lifting up my confidence
And shelter me from fears of imperfection
Your smile is a feather bed
A place that I can rest my head
To bring me every closer to connection

Home
Is wherever
Wherever
You are
I hope
That you're never
You're never
Too far
'Cause I can be myself around you
Singing to the stars
I feel so much braver
In the safety of your arms
Home
Is wherever
Wherever

You are
