

No More Tears

Zakk Wylde

The light in the window is a crack in the sky
A stairway to darkness in the blink of an eye
A levee of tears to learn she'll never be coming back
The man in the dark will bring another attack
Your momma told you that you're not supposed to talk to strange
rs
Look in the mirror tell me do you think your life's in danger h
ere, yeah

No more tears
Another day passes as the night closes in
The red light goes on to say it's time to begin
I see the man outside the corner waiting, does he see me?
I close my eyes and wait to hear the sound of someone screaming
here

So now that it's over can't we just say goodbye?
I'd like to move on and make the most of the night
Maybe we'll fuck before I leave you this way
Your lips are so cold I don't know what else to say
I never wanted it to end this way my love my darling
Believe me when I say to you in love I think I'm falling here
