You are my (angel), my special angel (angel)  
Heavenly angel (angel)  
(Sho-be-dop, sho-be-dop, sho-be-dop, angel)

There is a reason you have a hold on me  
A heavenly reason for my eyes to see, yeah  
You have a love, that makes my world go around  
A heavenly love, thank God I found

I finally found my angel (angel)  
And I thank God for you (angel)
