

Come On

Zapp

You girl
You got my mind messed up, yes, you have
When I look at you, girl
My heart starts to flutter
And my mind goes wild
You sassy, sassy thing you
How can you be, what makes you be
How come you act so mean
Wearing those skin tight Calvin Klein jeans

Come on, and give it to me, come on...
Why don't you common and give it to me...

You got to know your legs can make the best of men slip
How do you keep your head straight and still move your hips?
I don't know, but it sure looks good to me
Looks so good to me...

Why don't you common and give it to me...
Come on, and give it to me, come on...

Got to be the girl in his blessing
You turned around a no-good man (yes, you did)
And I wanna keep you, wanna keep you any way I can
I don't want to lose your love
I don't want to lose your love
Come on, baby
Come on, sugar
Come on, honey

Come on, and give it to me, come on...
Why don't you common and give it to me...

I need your loving
I want your loving, girl
Come on, yeah
Shucks, now
Don't be so mean
Don't act so mean
You wear your skin tight jeans
And you don't know
What you are doing to me
