

Fire

Zapp

Fire...

Fire, woo-woo-woo

Fire (fire!)

The way you walk and talk really sets me off
To a full alarm, child, yes it does
The way you squeeze and tease knocks to me my knees
I said I'm smokin', baby
The way you swerve and curve really wrecks my nerves
Baby, you've got me so excited, woo-woo-woo
The way you push (well), push (well) lets me know, baby
You're... gonna get your wish

Fire, woo-woo-woo

Fire (fire!)

Fire (fire, fire)

Fire, woo-woo-woo-woo (fire!)

Got me burnin', got me burnin'
(You've got me burnin', baby)
Got me burnin', got me burnin'
(You've got me burnin', girl)
Got me burnin', got me burnin'
(You've got me burnin', baby)
Got me burnin', got me burnin'
(Burnin', burnin', burnin', burnin')

Ooh... fire...

Shoop-do, shoo-be-do-bop, burning

Said I'm burning, burning, baby

Step on, child (ooh...)

Well, you're gonna get your wish

Throw some water on me

Now, when you shake what you've got, and girl, you've got a lot
You're really somethin', child, yes you are, yes you are
When you're hot, you're hot, you really shoot your shot
You're dyn-o-mite child, yes you are
Well, I can tell by your game, you're gonna start a flame
In my heart (yeah), in my heart
I'm 'bout to choke from the smoke, let me tighten up my stroke
Can you feel it, girl? Yeah, baby

Fire...

Got me burnin', got me burnin'

Got me burnin', got me burnin'

Fire, fire (fire!), fire

Got me burnin', got me burnin'
(You've got me burnin', girl)
Got me burnin', got me burnin'
(You've got me burnin', baby)
Got me burnin', got me burnin'
(Burnin', burnin', burnin'!)
Got me burnin', got me burnin' (baby)
Got me burnin', got me burnin'
(You've got me burnin' now) (fire)

Got me burnin', got me burnin'
(You've got me burnin', baby)
Got me burnin', got me burnin'
(Burnin', burnin', burnin', burnin' up) (fire...)
