Watch it, baby, 'cause you're funkkin' out of bounce!
Watch it, baby, 'cause you're funkkin' out of bounce!
Watch it, baby, 'cause you're funkkin' out of bounce!
Watch it, baby, 'cause you're funkkin' out of bounce!
Watch it, baby, 'cause you're funkkin' out of bounce!

Bounce, bounce, bounce, bounce
Bounce, bounce, bounce, bounce
Bounce, bounce, bounce, bounce, bounce!

If I did find a cast of gold
Down in this [?]
Do-do-do-do-ah, body and soul
I'm still playin' what somebody told me
Do-do-do-do-ah, somebody told me
Got your body wiggle, let that funky feeling go
Do-do-do-do-ah, got to release it

You'll bounce your way, and I'll bounce mine
And you'll believe that everything will work out fine
If you watch it baby, watch it baby!
Out of bounce, out of bounce!
Out of bounce, out of bounce!

Watch it, baby, 'cause you're funkkin' out of bounce!
(Watch it, sweet baby)
Watch it, baby, 'cause you're funkkin' out of bounce!
(You better watch it, you better watch it, girl)
Watch it, baby, 'cause you're funkkin' out of bounce!
(You better watch it, you better watch it)
Watch it, baby, 'cause you're funkkin' out of bounce!
(You better watch it, you better watch it)
