Zapp

Oh, here it is, big baby! "Zapp VI: Back by Popular Demand."
That's for sure, that's for sure. Who, me?
I'm just a fat man with a diaper, and my name is Bigg Robb, telling you: thank you for buying this CD
Listen: all the glory goes to God, he won't believe in his son Jesus, 'cause he got the real hookup, that's for sure, that's for sure

We dedicate this new CD to the memory of our big brother, our leader, our mentor, our superstar - Mr. Roger Troutman
Roger, we hope we're making you proud, we're keepin' the legacy going like you would want us to do. And we wanna tell all the Zapp fans out there: do us a favor, turn this up! (turn this up, turn this up, turn this up, turn this up...!)
