

Make It Funky

Zapp

Uh, Bootzilla - the illa - P-Funk dilla, baby!
And uh, I got Zapp filling the hole in that gap
Hit me! Da-di-da-da, da-di-da-da
Yeah, bubba, da-di-da-da, da-di-da-da, Zapp

What we gonna do (uh...), when they come for you, huh!
What they gonna say, when they come to hear us play, baby
Zapp! Make it funky
Make it funky for me
(Come on) make it funky (make it outta sight now)
Make it funky for me, Zapp!
What we gonna do (uh...), when they come for you, huh!
What they gonna say, when they come to hear us play, baby
(Well, uh) make it funky
Make it funky for me
Make it funky
Make it funky for me

Oh baby, let the music take control (yeah)
Oh momma, let the music touch your soul (hit me!)
Let me tell you, let me tell you what we gone do
(Oh yeah, come on!)
We gone keep it, we gone keep it funky for you
So we can make your body groove (Zapp!)
