Zapp

Zapp is back, and we're in demand (in demand)

(Gonna make you dance)
Zapp is back, and our game is hot (oh yeah)

Rockin' every city from LA to NYC
The heavy hitters, never quitters, plus you feel us
We be jumpin', jumpin' and comin' until you feel us
Sit down, where you goin'? Bigg Robb comin'
And you know it, showin' that belly till you're ready
Yeah, and you know that I flow, hit it up, oh, oh-oh-oh-oh-oh

We're gonna tell you what we're doin' today (doin' today)
We're gettin' funky, won't you hear what we say?
(Won't you hear what we say?)

Zapp is back, and we're in demand (in demand)
